TransLink ferry map and zones

Effective November 2012

How to calculate fares

Fares are calculated on the number of zones you use in your journey. All Brisbane City Council ferry services are in TransLink fare zones 1 or 2. This means the maximum adult ferry fare is $3.85 on go card ($5.60 on paper ticket) for travel in zones 1 and 2.

For example, if you are travelling from Apollo Road (zone 2) to QUT (zone 1), you are travelling through zones 1 and 2 – a $3.85 adult go card fare.

If you are travelling between Eagle Street pier (zone 1) and North Quay (zone 1) your fare would be $3.28 on an adult go card as you’re only travelling in one zone.

An example of an integrated trip is catching a train from Sunnybank (zone 4) or a bus from Eight Mile Plains busway station (zone 4) to South Bank (zone 1) and then a ferry to New Farm Park (zone 2). In this instance the fare would be $5.13 on an adult go card for travel in zones 1, 2, 3 and 4.

Prices are in $AUD and include GST.
